

XC60

XC60 ESSENTIAL

The Essential model comes with all the features you would expect from Volvo. Beyond the innovative City Safety technology, 17" Valder diamond cut alloy wheels and RSC (Roll Stability Control) system, the Essential model offers active bi-xenon headlights with headlight cleaning system, LED daytime running lights, electrically adjustable and heated door mirrors, roof rails and chrome decor around the side windows. Interior details include electronic climate control, leather upholstery, luxury floor mats, power child locks, ISOFIX attachments, shimmer graphite aluminium trim, cruise control and a high performance multimedia audio system with a 7" colour display screen.

| Variants: | Diesel | Petrol |
|-----------|---------------|---------------|
| | D4 Manual | T5 Powershift |
| | D4 Geartronic | |

XC60 EXCEL

The Excel model is further enhanced with rear park assist, rain sensor, grocery bag holder, digital combined instrument cluster with TFT crystal display and a power adjustable driver seat with memory function - all designed to complement the existing high level of specification whichever variant you choose.

| Variants: | Diesel | Petrol |
|-----------|-------------------|-------------------|
| | D4 Manual | T5 Powershift |
| | D4 Geartronic | T6 Geartronic AWD |
| | D5 Geartronic AWD | |

XC60 ELITE

The Elite model is the ultimate upgrade. Over and above the Excel variants, the Elite variants have a combination of power adjustable passenger seat, a 3-spoke leather steering wheel with decor inlays, a high version interior lights package and a new power operated tailgate.

| Variants: | Diesel | Petrol |
|-----------|-------------------|-------------------|
| | D4 Manual | T5 Powershift |
| | D4 Geartronic | T6 Geartronic AWD |
| | D5 Geartronic AWD | |

XC60 *R-DESIGN*

A unique power steering system and 18" Ixion II diamond cut alloy wheels together with the R-DESIGN chassis enhance the handling of this model. Visual presence is complemented with silver matt door mirrors, unique rear exhaust pipes, R-DESIGN embossed leather sport seats with side support, R-DESIGN leather steering wheel and unique aluminium interior trim.

| Variants: | Diesel | Petrol |
|-----------|-------------------|-------------------|
| | D5 Geartronic AWD | T6 Geartronic AWD |

THE RIGHT EQUIPMENT. It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant, plus optional equipment to personalise your Volvo XC60. And as you'd expect, there is an array of industry-leading, cutting edge safety innovations.

| STANDARD EQUIPMENT - SAFETY AND SECURITY | Essential | Excel | Elite | R-DESIGN |
|--|-----------|-------|-------|----------|
| City Safety | | | | |
| Dual Stage Driver and Passenger Airbags | | | | |
| Passenger airbag cut-off switch | | | | |
| SIPS (Side Impact Protection System) | | | | |
| Dual Chamber SIPS Airbags | | | | |

VOLVO SENSUS. YOU'RE IN CONTROL, NATURALLY.

SENSUS

YOUR SPACE

Yes, the new Volvo XC60 has a beautifully sculpted exterior. But why should passers-by get all the enjoyment? Since you'll spend most of your time in the driver's seat, we've designed a gorgeous space around you. We've made all your instruments and controls as easy to use and intuitive as possible. We call this approach to connecting you and your car with the world around you "Sensus". Our beautiful new Adaptive Digital Display is the latest expression of this philosophy. Not only does it give you all the information you need without overwhelming you with data, it also gives you three modes to choose from – Elegance, Eco and Performance. Together with the Sensus screen in the dashboard, it

makes commanding your drive an effortless experience. And with Sensus Connected Touch, the 7-inch Sensus screen becomes a connected multimedia hub, giving you access to embedded connected navigation, music streaming and internet connection.

But it's not just our displays that are things of functional beauty. We've put the same amount of care into the steering wheel, as well as our iconic floating centre stack with our trademark "mannekin" climate control buttons.

OH YES. DID WE MENTION SAFETY?

INTELLISAFE

WE CARE ABOUT YOU

In 1927 our founders, Assar Gabrielsson and Gustaf Larson, decided to make really strong cars that could cope with our rough country roads. But strength alone wasn't enough. They also had a vision: "Cars are driven by people," they said, "so the guiding principle behind everything we make at Volvo is – and must remain – safety." Now our goal is that, by 2020, nobody shall be seriously injured or killed in a new Volvo. We think our founders would have approved.

In order to help us achieve this goal, and in keeping with our philosophy of making your life easier, your XC60 has a whole suite of intuitive safety technologies inside it. They're there to support your daily driving, protecting you in the event of an accident and often preventing collisions in the first place. We call this IntelliSafe.

We know XC60 owners love driving, but in a world of busier and busier roads, you are constantly exposed to other people's

mistakes. That's why IntelliSafe offers some really smart technologies such as City Safety, Collision Warning with Full Auto Brake and Pedestrian Detection as well as Cyclist Detection.

And because you love driving, it's good to know that your XC60 doesn't just protect you – it actively supports you too. Take Active High Beam. With this system, your headlights stay on full beam all the time. When another car comes around towards you, the system prevents dazzling the other driver by shading out only as much of your beam as necessary – no more, no less. Our Dynamic Stability and Traction Control (DSTC) is another IntelliSafe technology. If there's a risk of your XC60 losing stability, DSTC applies just the right amount of brake force and reduces engine power as needed in order to prevent skidding. You'll probably never notice a thing.

But that's OK, we're just doing our job.

DRIVE-E

YOUR ENGINE CHOICE

Drive-E is at the heart of every Volvo we make. It's our all-encompassing approach to sustainable driving, our innovative thinking behind a whole range of technologies that will give you more efficiency – and lower running costs – without compromising on a pleasurable drive.

Our Drive-E technological advances include reducing the friction within our engines and a host of aerodynamic improvements to help you get the maximum benefit from your engine and the fuel you put into your car. We employ Start / Stop technology, energy

recovery systems and always strive to make our manufacturing processes more sustainable – all of the electricity for our factory in Sweden comes from clean, hydroelectric power. After all, environmentally-aware mobility is central to our philosophy of intelligent, thoughtful luxury.

Integral to this is the wide choice of powerful, efficient engines available for the XC60, ranging from the five-cylinder 2.0 litre turbodiesel D4, to the six-cylinder T6 224kW petrol option.

In town, City Safety is designed to prevent you from colliding with the car in front if it stops suddenly. This advanced IntelliSafe system works at speeds of up to 50 km/h and senses if you're about to collide with another car, then, if necessary, applies the brakes.

We've further improved our Blind Spot Information System (BLIS). It now uses radar technology to alert you to vehicles closing up in your blind spot. There's also Cross Traffic Alert, which watches out for vehicles you can't see when you're reversing out of tight parking spaces.

Because we care about other road-users just as much as you, Pedestrian Detection with Full Auto-Brake watches out for people walking into your path and applies the brakes if you're unable to react in time.

RDESIGN

**Dynamically expressive. Flawlessly synchronised. Beautifully balanced.
And that's just the sports chassis.**

With the Volvo XC60 R-DESIGN variant, the well-equipped Volvo XC60 acquires even more confidence, inside and out. Boldly provocative yet tastefully reserved, the exclusive R-DESIGN styling elements express a definitive passion for sport. From the R-DESIGN grille badge, to the 90 mm tailpipes, the Volvo XC60 R-DESIGN exudes confidence at every turn. Yet, it's in the turns where the sports chassis really compliments the swift agility and sweeping artistry of this bold crossover.

Sports tailpipes

From behind, the dual 90 mm tailpipes give the XC60 R-DESIGN a powerful, no-nonsense demeanour.

Sports chassis

Perceptibly yet subtly different, the shocks, springs and anti-roll bars are adjusted and tuned to be firmer and more balanced. The result is improved control and a sportier, road hugging drive.

Sports steering wheel

Get to grips with this exclusive leather 3-spoke sports steering wheel with R-DESIGN logo.

Sports gear knob

An illuminated gear knob with perforated leather, gives a performance ready look and feel.

Sports pedals

Racetrack inspired to enhance the driving experience, enjoy the feel of these ridged sports pedals.

Sports floor mats

These black, ribbed and richly tufted sports floor mats set the stage, front and back.

COLOUR YOUR VOLVO. When it comes to the appearance of your Volvo, the choice of exterior colour and wheels are probably your most important design decisions. For more exterior styling options and to build your new Volvo online, please visit www.volvocars.co.za

| FUEL CONSUMPTION (i) (ii) | | T5 FWD Powershift | D4 FWD Manual Geartronic | D5 AWD Geartronic | T6 AWD Geartronic |
|---------------------------|----------|-------------------------|--------------------------------|-------------------------|-------------------------|
| Urban | ℓ/100 km | 11.3 | 6.4 7.9 | 8.5 | 15.2 |
| Extra Urban | ℓ/100 km | 6.9 | 4.6 5.0 | 5.3 | 8.1 |
| Combined | ℓ/100 km | 8.5 | 5.3 6.0 | 6.4 | 10.7 |
| CO ₂ g/km | | 198 | 139 159 | 169 | 249 |
| Fuel tank capacity | (litres) | 70 | 70 | 70 | 70 |

| POWER STEERING SYSTEM | ALL MODELS |
|-------------------------------------|------------|
| Turning circle, m (rack and pinion) | 11.7 |

| LUGGAGE COMPARTMENT | ALL MODELS |
|---------------------------------|------------|
| Volume, litres | 650 |
| Volume, rear seats down, litres | 1450 |

| TRANSMISSION | ALL MODELS |
|-------------------------|------------|
| Powershift (T5) | 6 speed |
| Geartronic (D4, D5, T6) | 6 speed |
| Manual (D4) | 6 speed |

| BRAKES | ALL MODELS |
|-------------------------|------------|
| Front disc diameter, mm | 328 |
| Rear disc diameter, mm | 302 |

| WEIGHT | T5 FWD Powershift | D4 FWD Geartronic Manual | D5 AWD Geartronic | T6 AWD Geartronic |
|---|-------------------------|-----------------------------------|-------------------------|-------------------------|
| Min. kerb weight, kg (actual kerb weight dependent on spec.) | 1694 | 1716 1724 | 1796 | 1814 |
| Max. possible towing weight braked, kg | 1800 | 1600 | 2000 | 2000 |
| Max. towing weight unbraked, kg (iii) | 750 | 750 | 750 | 750 |
| Max. towball weight, kg | 90 | 90 | 90 | 90 |
| Max. total weight, kg | 2270 | 2505 | 2505 | 2440 |
| Max. roof load, kg | 100 | 100 | 100 | 100 |
| Max. payload, kg (dependent on spec.) | 576 | 789 781 | 709 | 626 |

| GROUND CLEARANCE | ALL MODELS |
|------------------------------|------------|
| Vehicle ground clearance, mm | 230 |
| with 2 persons, mm | 220 |
| Wading depth, mm | 350 |
| Approach angle | 22° |
| Departure angle | 27° |
| Breakover angle | 22° |

(i) The results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model.

Additionally, driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.

(ii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising.

The Combined figure averages the consumption across both cycles.

(iii) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of approximately 750 kg.

Notes

The weight of the vehicle will influence the level of CO₂ emitted. As a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

Gt = Geartronic Automatic Transmission.

All measurements in mm.

The Max. output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.
